

2021 Program Highlights

- SOTC Celebrated a return to safe, in-person programming with a full cohort of **71** fully vaccinated interns, **40+** activities and events and cohort housing at Case Western Reserve University provided cost-free to students through employer and grant funding.
- Welcomed back **30+** returning and new employers including the Cleveland Museum of Art, Karamu House, The City Club of Cleveland, MetroHealth Hospital System, The Rock and Roll Hall of Fame, VECMAR, Ohio Future Business Leaders of America and Mutual Capital Partners to name a few!
- The SOTC **Collegiate Career and Community Leader Mixer** sponsored by MetroHealth returned to an in-person format at the Rock and Roll Hall of Fame with over 125 professionals, SOTC students and non-SOTC students in attendance. Students enjoyed networking, one on one resume reviews, posing for professional head shot photos and exclusive, complimentary access to the Rock and Roll Hall of Fame museum galleries.
- **Allegheny College** joined Summer on the Cuyahoga as its ninth and newest partner school along with Board representatives Tim Downing of Ulmer & Berne, LLP and Sean Ward of Blue Point Capital Partners.
- The Summer on the Cuyahoga **Alumni Career Network** (ACN) kicked off its inaugural year. The CAN was created by and led by program alumni with the purpose of providing continuous support to fellow alumni by offering professional development activities, networking and access to potential job opportunities.
