## **Student Info**

- If you would like to take advantage of the Resume/LinkedIn reviews, please bring copies or be prepared to pull them up by phone (for review only).
- Plan your outfit ahead of time if having your headshot photo taken.
- Network with as many professionals (even those unrelated to your field of study) and students as possible to maximize your experience.
- Enjoy free access to the Rock Hall museum spaces before and after the networking hour.

## **Professionals Info**

- Professionals will share a high-top table with 1-2 other professionals and students will rotate through the space. You are invited to bring business cards and/or copies of literature to share with students and other professionals about your organization or opportunities.
- The key networking time frame will be 6 – 7:30 p.m. – plan to enjoy the museum space, depart or continue networking after that!
- You do not have to be hiring to attend and have an impact! We are looking for all types of professionals (for-profit, nonprofit, startup, job seeker, government) to mix and mingle

with students and each other while sharing career backgrounds, your passion for NEO, opportunities if they exist and/or advice.

- The price is right! Registration includes food and access to the Rock Hall museum spaces, your contribution is partially tax-deductible and helps support student entry.
